

Queens Gate South Kensington

12  10 

A rare opportunity to acquire a freehold block of 6 flats in this very popular South Kensington Location. The flats are a mix of 1, 2 and 4 bed properties and are let on an AST basis, so this is an income producing investment. The building is in excellent condition having had a recent refurbishment. The building has a lift, and some apartments have private outside space. Further information and income information is available upon further request.
